Wendy Spears Fitzpatrick

Terry and Cherri Spears provided memorial gifts in 2013, 2014, and 2015 in memory of their daughter, Wendy Spears Fitzpatrick. Wendy was the oldest of their four daughters. She had boundless energy and enthusiasm. She finished high school a semester early, became a travel agent, and took a few courses each year in college. She showed her love of her family in thousands of ways. Through this memorial gift, other ambitious young scholars will be able to look forward to their lives and futures as Wendy enthusiastically looked forward to her own.

Johnnye Faye Bradshaw Presnell

Johnnye's husband Jack describes her "as a wonderful partner, personable, and hospitable. She loved people and often was found helping others...". Before their retirement, the couple discussed how they were not rich growing up, but they had their needs met. Through Jack's success and career, they climbed up the ladder economically and decided they wanted to give back to society. This idea sprouted several memorial funds Jack has created honoring Johnnye including this one.
